

Machine-Ready Manifold Blanks

Start Here and SAVE!

Go from Receiving Directly to Your CNC Machine

Reduce Cycle Time Up To 25%

TCI Machine-Ready Manifold Blanks are custom made to order from one to thousands with quick turnaround. Delivering tolerances as close as +/- .0005" dimensionally and .0002" flatness, squareness, and parallelism with a surface finish of 16 – 25 RMS; Machine-Ready Blanks arrive deburred, clean and ready to load directly into your CNC machining center.

Call today to discuss your next job; we can provide you a 'next day' dimensional sample with your production quote. **800-234-5613**.

Save On:

-  Material Prep Time
-  Set Up Time
-  CNC Cycle Time
